CASE NO. 70 E 3359

PEORIA / ILLINOIS

ORDER

This cause coming on to be heard upon the People's Petition for Penalties, and the Court having heard witnesses and taken evidence from both parties, the People having been represented by John C. Parkhurst, Assistant Attorney General, and the Defendant, CHARLES M. JANSON, having been represented by David B. Mueller, and the Defendant having been present in open court throughout the hearing on the Petition for Penalties, and the Court being fully advised in the premises, and having considered the evidence, the testimony and the arguments of counsel;

✓The Defendant IS ORDERED to pay a penalty of \$5,000.00 for violation of his Stipulation and the Order of this Court dated February 16, 1971. The penalty shall be paid forthwith, at the office of the Circuit Clerk of Peoria County, Illinois, payable to the State of Illinois.

✓The Defendant is immediately enjoined from permitting or allowing any dumping of garbage or refuse of any sort on his premises, legally

described in the Complaint filed in this cause, and commonly known as the Bartonville Dump or the Janson Dump off Creek Road in Peoria County, Illinois, unless and until one of two events occur:

(a) A written certification is filed in this Court by Mr. Keith Weeber, a sanitary engineer, employed by the Environmental Protection Agency of the State of Illinois, stating that the Restoration Plan filed in this cause on April 1, has been fully complied with by the Defendant, or

(b) An order is entered by this Court upon the petition of the Defendant, permitting said dump to reopen, after the presentation of proof that the Restoration Plan filed in this cause on April 1, 1971, has been fully complied with by the Defendant.

IT IS FURTHER ORDERED that the said Keith Weeber, or any person designated by him, shall be permitted free access to the dump site of the Defendant for the purpose of inspecting to determine whether further violations by permitting or allowing dumping on the premises after May 19, 1971, have occurred, or for the purpose of determining the efforts being made by the Defendant and the progress being made by the Defendant in complying with the requirements of the Restoration Plan.

IT IS FURTHER ORDERED that all motions filed by the Defendant, upon which no previous Order has been entered, are hereby denied.

It is stipulated and agreed by the Defendant that no record was made of the proceedings which led to the preparation of the Stipulation of the parties on February 16, 1971, and that the only matter transcribed by a court reporter on that date was the Stipulation itself, which was dictated in chambers.

ENTERED May 10, 1971.
